### **Do I have to pick all my dates for the entire season at once?**

No. You may pick as many or as few at a time as you need to.

---

### **Do I have to see all the shows?**

No. Think of your Membership as a "Hall Pass", which allows you access to any of the productions we are offering to Members. If there is a production you miss or don't plan on seeing, no worries, nothing will happen to your Membership.

### **What's this PRIORITY SEATING all about?**

We thought that our Members would love to have an additional benefit. What better way than to let you enter the theatre before the general public. When we open for seating, our Will Call attendant ask Season Members to come forward, after which we will seat all patrons. You must be in our lobby to get first dibs.

### **How do I get additional discounted tickets?**
